

## Environmental Policy

STV Building Services Ltd is committed to protecting the environment. This commitment is reflected in the services we provide to our customers, the conditions our employees work under and our interactions with the local community and environment.

Senior management has defined the environmental policy implemented by STV Building Services Ltd. This policy is as follows:

STV Building Services Ltd recognises and accepts its responsibility to be a good steward of the environment and to help achieve a state of sustainable development. In support of these responsibilities STV Building Services Ltd has established the following commitments:

- Provide Building Services that offer minimal environmental impact whenever possible
- Comply with all applicable local, national and international legal requirements with an aim of exceeding compliance wherever practical and possible
- Conformance with Environment Agency licenses
- Prevention of pollution in all its forms
- Conservation of natural resources, including energy, through source reduction, reuse and recycling wherever practical
- Continual environmental performance improvement through the involvement of all STV Building Services Ltd employees and local communities

The environmental management system incorporated by STV Building Services Ltd has been developed to meet the requirements of ISO 14001:2004 and our environmental objectives and targets are designed to continually improve our environmental performance.

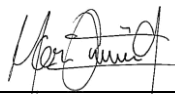

The ultimate objective of STV Building Services Ltd is to maximise environmental benefits by improving the efficiency of its operations while at the same time reducing its impact on the environment.

This policy is communicated to all persons working for or on behalf of STV Building Services Ltd through the following means:

- Posting on company notice boards throughout the Company's premises
- Management and staff meetings

The policy is available to the public through posting on the company website.

Signed:

Date: 19/04/2011

Mason Quincey (Managing Director)
